

Arway Confections

2023
BULK EVERYDAY *and* HOLIDAY

April 2023

To our valued customers,

I want to let you all know about a significant organizational change for Arway-Long Grove Confections. Philip Block (Flip) has been hired to take over my position as President of the company. I will retain the role of CEO and continue to be the owner of the company, but the plan is to significantly reduce my day-to-day responsibilities.

Hiring a new President is a watershed moment for any organization, however, for this company, it will only be the 4th time in its 73-year history that the company has made this change. My current tenure at Arway is 32 years, but Jim Resnick and his father Arthur (who founded the company in 1950) had even longer tenures. So, change like this doesn't come often, and obviously, my hope is to find the right leader who can help continue to grow this business for many more years to come.

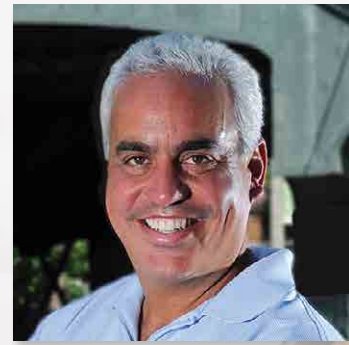

I want to say first and foremost that I have loved the journey that I have been on for the last three decades. I am humbled with the incredible support this organization has received from its long list of loyal employees, customers, and suppliers. My hope is that we continue to improve upon the growth, reputation, and culture that we have built upon for the last seven decades.

Flip comes from Mars Wrigley where he has held several leadership roles. In his most recent role, Flip was the Global Director for the Twix business. His knowledge, experience, leadership skills, and personality are a great fit for Arway-Long Grove. Flip started with us last September, and we are off to a great start. I truly believe that Flip will be an outstanding leader for the company for many years to come, and I am sure you will all agree.

As many of you know, I have been providing updates about our company, market information, as well as challenges/successes we have faced as an organization since the early 90's. It's time to pass this journalistic baton on to Flip.

I want to take this opportunity to thank each and every one of you for your trust in me and my incredible teammates at Arway-Long Grove, and for allowing us to be one of your trusted confectionery partners. I look forward to continuing with you all on this journey under Flip's new leadership.

Craig Leva

Happy Spring, and we hope your 2023 is off to a great start! All is well here at Arway-Long Grove, and we are hard at work remaining focused on responding to your needs each and every day.

Building on Craig's words, I couldn't be more thrilled to be writing you as the recently appointed President of Arway-Long Grove Confections. It is not lost on me that I am the first non-family, non-ownership leader in the business, and I am truly grateful for the confidence Craig has shown in bringing me on board. My goal is to build on the amazing work Craig and the team have done, and continue to make Arway-Long Grove your choice for all your confectionery needs. My first several months on the job have re-enforced what I already knew...that I was joining a fantastic company that was values-driven, customer-oriented, and made some of the tastiest treats in the industry!

2023 marks an important year in our company's history, as this summer we will celebrate the coming together of two great Chicago-based businesses 10 years ago. In June of 2013, Arway Confections acquired Long Grove Confectionery Company, enabling the combined business to grow, and to offer new capacity and capabilities to existing and future customers. The merging of our two cultures and ways of working evolved over time, and 10 years later we are truly living into a "One Company" culture.

In recognition of our milestone, and in hopes that it makes the purchasing journey easier for you, we are offering our first combined catalog featuring seasonal and everyday offerings from Long Grove, and bulk offerings from both our manufacturing sites (Arway and Long Grove). Many of you have long been loyal customers to one or the other of our two sites, but we wanted to give you visibility to the entirety of our extensive product catalog. We will continue to service your business in a similar manner as we always have, but should something new peak your interest, of course we'll be glad to make it for you.

As always, our focus is on giving you the best value possible. Inflation has been a factor, and prices are nominally higher. We continually strive to run as efficiently as we can to offset the higher prices of most of our inputs. That said, our value goes beyond pricing, and we feel there is no better partner to work with in terms of the quality products we deliver, and the responsive customer service we offer.

On a personal level, I hope to have a chance to meet many of you during the course of the year. In the meantime, please don't hesitate to contact us with any questions, comments or requests you may have. We truly appreciate being one of your trusted business partners, and we will always put our best foot forward in serving your needs.

We wish you the best for the remainder of Spring, and we look forward to working with you this year.

Flip Block
